

# 2018-19 RoundTripper Fall and Winter Instructional Classes

**Hitting:** RoundTripper's instructors teach the correct fundamentals and approach to hitting to improve players' swings and avoid creating bad habits. **Classes are offered for both baseball and softball!**

**Fielding:** The fast paced approach to fielding that is taught in the MLB is also taught inside of RoundTripper Sports Academy. Master Infield Instructor Carlos Paredes uses his professional experience to teach the correct approach to fielding.

**All Fundamentals:** Beginner's class for 5-7 year olds, the class covers all aspects of baseball, including hitting, base running, defense, and more!

**Catching:** For both baseball and softball catchers of all ages. Our professional instructors cover everything including set-up, receiving, blocking, and throwing.

## PITCHING

### Baseball

RoundTripper's Pitching Staff is dedicated to the correct fundamentals of pitching to allow young pitchers to throw strikes and maintain their arm health. **NO WEIGHTED BALLS**, which can drastically increase the risk of arm injury, are used in the RoundTripper facility.

### Fastpitch

**NEW FASTPITCH PITCHING CLASSES ARE NOW AVAILABLE AT ROUNDTripper!**

For softball players of all ages, instructor Ashlea Nash focuses on correcting mechanics, developing pitches, and increasing velocity!
